

National Collegiate 4-H Advocacy Team

A committee of the Collegiate 4-H National Action Board

Advocacy Team Meeting Minutes
June 11th, 2006
Sunday at 10pm eastern time

Attendance:

Val Krumm
April Mendenhall

- NAB Liaison
As there were only two members present, this is not a final decision, but April Mendenhall was nominated to act as the NAB liaison for the time being.
- Pamphlet information
We agreed to start sending out the pamphlet as soon as we can get information back from the clubs and regions.
- News for the website
An email was sent out to all of the regional listservs to enlist news articles for the website, but we need to keep up with sending out reminders and “harping on” our own clubs to get out information.
- Promotion of the website and message boards
We decided to design flyers to entice people to go and visit the website and message boards. These flyers were sent out to the regions, but they also need to be sent out to all of the clubs on a regular basis or posted on regional websites for promotional purposes.
